These tickets may be donated as a tax-deductible contribution. Once you donate tickets, your donation is final and the tickets are instantly made available for resale. As a result, donated tickets cannot be returned, refunded, or used for that production. We must receive your donated tickets before we can issue a tax credit. Tickets with dates that have passed are not eligible for donation as they no longer have any value.

ACCESSIBILITY

For all MTC theatres, assistive listening devices and hearing aid compatible devices are available free of charge on a first-come, first-served basis. Please note that headsets not obtained at our theatres will not work with our enhanced listening system.

Manhattan Theatre Club is fully accessible to people with disabilities. Elevator service and wheelchair locations are available at each of our spaces. Please notify Subscriber Services in advance if you or someone in your party will be using a wheelchair at either theatre. We can better serve you at the theatre with this advance knowledge.

For full information on accessibility specifics, visit ManhattanTheatreClub.com/Accessibility.

LATE SEATING POLICY

Please be sure to check your tickets in advance of attending the performance to make sure that you are traveling to the correct theatre for the correct curtain time. Productions will begin on time and latecomer seating will vary with each production, at the discretion of the house manager and artistic staff, to avoid disturbance to the production and other patrons. We reserve the right to refuse admission to anyone, and disruptions will not be tolerated. Manhattan Theatre Club accepts no liability for inconvenience to latecomers. Children under the age of four are not permitted in the theatre.
